Virtual DREDGEPACK® and Volumes Training Courses

November 7 - 10, 2023

HYPACK will hold a DREDGEPACK® training course from November 7 - 8, 2023, which focuses on the basics of dredging using software applications within DREDGEPACK® for various dredge types.

HYPACK will hold a Volumes training course from November 9 - 10, 2023, and provides instruction on calculating volumes using the volume computation methods available in HYPACK®.

You can choose to attend either of these training courses, or attend both for a discounted price. A detailed schedule and logistic information will be sent out closer to the training dates. Please fill out the following registration form.
